

Music Production

*Whether you have a full band session,
a rough voice memo demo,
or simply need custom instrumental beats,
select the production tier that fits your project.*

1. Premium Production

(Single / Album)

1,850 € / song

Album Rate:

14,800 € for 10 songs
(20% bundle discount)

Ideal for:

Serious independent artists, label releases, and sync pitch projects needing full instrumentation, custom sound design, and total creative direction.

- Full Arrangement & Beat/Instrumental Creation: Custom composition, live instrumentation tracking, drum programming, and sound design.
- Vocal Production: Pitch correction, timing alignment, harmony layering, and surgical vocal cleanup.
- Complete Mix & Master: Professional 24-bit multi-track mixing and competitive mastering included.
- Deliverable Package: Full High-Res Masters (24-bit/48kHz WAV, 16-bit/44.1kHz WAV, MP3), Instrumental, TV/Performance Mix, Acapella, Rhythm Mix, and Unprocessed Multi-Track Stems.
- Revisions & Turnaround: Unlimited revisions (within 30 days of initial delivery); 10–14 business days turnaround per song.

2. Pro Demo to Commercial Track

(most popular)

850 € / song

EP/Album Rate:

3,600 € for 5 songs
6,800 € for 10 songs

Ideal for:

Songwriters, indie artists, and content creators looking for a modern, industry-standard arrangement built around an initial voice memo or demo.

- Full instrumental backing track built around your vocal demo or chord progression
- Vocal Tuning & Editing: Precision alignment and tuning on up to 4 lead/backing vocal tracks
- Included Mix & Master: Radio-ready stereo mix and master included
- Deliverable Package: High-Res Main Master (24-bit/48kHz WAV + 320kbps MP3), Instrumental, and Performance Backing Track
- Revisions & Turnaround: 3 rounds of targeted revisions; 7–10 business days turnaround per song.

3. Custom Instrumental / Track Production

350 € / song

Ideal for:

Singers, topliners, and rappers who already have their vocal recording/editing workflow locked down.

- Beat & Instrumental Construction: Arrangement based on reference tracks or stylistic guidelines provided by the artist.
- Mixed Instrumental Stems: Balanced instrumental mix ready for vocal recording.
- Deliverable Package: High-Res Instrumental Master (24-bit/48kHz WAV + MP3) + Full Track Instrument Stems.
- Revisions & Turnaround: 2 rounds of revisions; 5–7 business days turnaround.
